

**A \$1,000 CHECK FOR THE RED CROSS**—For the past several years the Sahara Coal Company has made a \$1,000 contribution to the American Red Cross through the Saline County chapter and this year was no exception. John Murphy, right, chairman of the annual finance campaign, accepts \$1,000 check from Harley Shepherd, chief clerk in the Harrisburg offices of the Sahara Coal Company. At the request of local Red Cross officials \$700 of the money will be earmarked for the blood program and the remaining \$300 will go into the general fund. Mr. Murphy states the goal in Saline county for the general fund campaign is \$12,000 and it has been about one-third completed. (Daily Register Staff Photo)

## Dulles, Eisenhower to Confer on U. S. Strategy in Middle East Areas

### About Town

And Country  
By TIMOTHEUS T.

#### 59,363 Half-Pints Of Milk Consumed in Schools in January

SHHHHHH! And don't tell anybody!

There's been some mighty heavy drinking going on in this county. Shhh! The demand for half pints has been terrific.

I got my information from the court house and I didn't get it from the sheriff or the state's attorney. I got it from the superintendent of schools.

Yep, the data came from C. R. Gardner, who compiled it in his office in the court house.

Superintendent Gardner revealed that a total of 59,363 half pints of milk was consumed by Saline county students at the schools during the 22 days the schools were in session during January.

That's a lot of dairy cows, because 59,363 half pints is approximately 7,500 gallons of milk.

To carry the figures on further, the total half-pints consumed with regular school lunches was 43,246. In addition, 16,117 half pints were consumed under the special milk program offered by the Department of Agriculture. The extra half-pints cost the child an average of a penny each.

Of the 27 schools offering a hot lunch program, 19 also took part in the special milk program. (Last year only three schools took advantage). So at present there are eight schools offering a hot lunch program which are not taking advantage of the extra milk for the boys and girls at a penny a half-pint.

Harrisburg and Eldorado high schools both took part in the special milk program with 6,507 half-pints being consumed at Harrisburg high and 2,896 at Eldorado. Galatia high has a lunch program with 2,558 half-pints being consumed with lunches, but there is no special milk program. A total of 2,177 half-pints were sold at HTHS for a penny each and 758 at Eldorado.

At Harrisburg Junior high, 3,000 half pints were sold with the lunch program and none under the special program at a penny a half-pint.

Here are figures for other schools with hot lunch programs as supplied by Mr. Gardner with the half-pints sold with January lunches first, and the extra ones under the special program following. If the district did not participate in the special program, a — will follow the first figure:

Galatia elementary 4,651, —; Harco 582, 334; Bond 388, —; Carrier Mills elementary 2,899, 966; New Castle 367, —; Raleigh 2,234, —; Wasson 743, 876;

Muddy 1,125, 119; Dorris Heights 602, 348; East Ledford 380, 356; South Walnut Grove 340, 391; Pier-son 511, 279; Greenhill 690, —; Jefferson at Eldorado 2,000, 1,976; Lincoln at Eldorado 1,821, 2,347; Washington at Eldorado 4,305, —;

Beulah Heights 1,470, 1,283; Bixler 1,004, 469; Taylor 489, 565; Dorrisville 2,324, 811; West Ledford 725, 126; Crossroads 1,280, 1,378; South Willard —, 550.

### To Build Giant Aluminum Plant In Evansville Area

\*Reports from Louisville, Ky., said that the Aluminum Company of America will build a \$150,000,000 aluminum plant between Evansville, Ind., and Owensboro, Ky.

The plant, upon which work might possibly be started this year, would be near Yankeetown, Ind., on the Ohio river, it was reported. Alcoa is said to hold an option on 1,000 acres of land within the area.

The Southern Indiana Gas & Electric Co. already has a new generating plant near Yankeetown and draws its coal supplies from nearby strip mines.

One source said that official announcement that the Yankeetown site had been decided upon would be made Tuesday.

### OIL REPORT: New Galatia Well 156-Barreler Through Choke

Taken from the Robertson Tri-State Oil Report

The area west of Galatia continued to hold the Saline county spotlight the past week.

Olen D. Sharp brought in his Webber Heirs 1-A, which made an oil well in the Aux Vases with initial production of 156 barrels per day on flow through a 5/16 inch choke. The location of this Galatia township well: SWc SW SE, 10-8s-5e.

Also in Galatia township was Lonnie Fox's Mae Gogue et al. No. 1, SWc NW NE, 16-8s-5e, which made a producer in the Aux Vases with initial production 52 barrels per day on pump after fracture.

Those were the only two successful completions. Paco Petroleum's J. W. Johnson No. 1, SEc SE NW, 19-8s-5e (Brushy), Breuer-Robison's Largent-Parker No. 1, SEc SE SW, 24-8s-6e (Harrisburg) and Delwood's Lawrence Hale No. 1, NEc SE NW, 22-8s-6e (Raleigh) were dry and abandoned.

\*Other activity west of Galatia: Delwood's Hefflin No. 1, SEc NE NW, 15-8s-5e, awaited a pump unit to test the Aux Vases. It flowed three barrels of oil an hour, naturally, then seven oil an hour after mud acid. The Hefflin No. 2, NEc NE NW, 15-8s-5e, awaited cable tools to test the Aux Vases and O'Hara.

Phillips' Noble "A" No. 2, 380 feet north and 330 feet east of SWc NE NE, was testing Aux Vases after fracture.

Olen Sharp had set casing to the Aux Vases at his Pearl Webber No. 2, SWc SE SW, 10-8s-5e. In Harrisburg township, Breuer-Robison's Frank P. Parker No. 1, 330 feet north and 260 feet east of SWc NW NE, 25-8s-6e, was on pump testing the Cypress; Vickery Drilling Co. was past 2287 at its Mugge Heirs No. 1, SWc NW SE, 36-8s-6e; and C. E. O'Neal and John Buchman were past 2907 at the George G. Mugge No. 1, SWc NE NW, 40-8s-6e.

### Allen Reports Extremely Serious Crisis

WASHINGTON (AP) — Officials said today the critical time of decision for the United States on the Middle East situation may come next week.

Secretary of State John Foster Dulles returns Wednesday to Washington from a round-the-world trip. He and President Eisenhower are expected to meet shortly afterward to plan U. S. strategy regarding riot-torn Cyprus and other Middle Eastern hot spots.

Assistant Secretary of State George V. Allen, the State Department's top Middle Eastern expert, arrived home Friday to help with studies on the explosive Arab-Israeli situation.

Allen, who accompanied Dulles to Asia, sounded a note of urgency when he said the "Mifort" Eastern picture is "extremely serious."

The United States hopes to find a way to work through the United Nations to avert serious fighting in the Middle East. Officials were reported favoring:

1. A warning to both Israel and the Arab states, against new aggression.

2. A promise of U. N. action to punish an aggressor.

3. Strengthening of the machinery used by Gen. E. L. M. Burns, the U. N. truce supervisor in Palestine, if he feels this is needed.

The United States also faces a renewed pressure from Israel for American arms to offset Communist weapons received by Egypt.

Israeli circles disclosed that Israeli Ambassador Abba Eban will make a "supreme effort" to get an answer to his nation's arms request shortly after Dulles returns from abroad. Eban demanded a "yes-or-no" answer to the request before Dulles left Washington, but the secretary refused to give one.

Graveside Service For Stillborn Infant

Graveside services will be held at 2:30 p. m. today at the Adkins cemetery at Omaha for Mary Jane Patton, stillborn infant of Mr. and Mrs. Paul Patton of Eldorado. The baby was born at the Ferrell hospital at 5:30 a. m. today.

Besides its parents the child is survived by a sister, Suzanne, and a brother, Stephen Paul, and grandparents, Mr. and Mrs. William Patton, Omaha, and Mrs. Ruth White, Eldorado.

The Martin funeral service of Eldorado is in charge.

Judge Zimmerman to Set Docket Wednesday

Circuit Clerk Quentin Bowers stated today that Judge Harold L. Zimmerman will set the docket for the April term of circuit court Wednesday. Judge Zimmerman is requesting attorneys to have their cases to be heard during that term turned in by Tuesday.

## Rescue Italian Freighter Crew; Four U. S. Destroyers Grounded

### Navy Reports None in Danger; One Refloated

Ships Slammed Aground During Eastern Blizzard

NEWPORT, R. I. (AP)—A howling blizzard slammed four U. S. destroyers aground early today in Narragansett Bay.

One of the ships, the radar picket destroyer Fiske, was re-floated almost immediately.

The Navy said the other three stuck fast in the bottom are "in no immediate danger."

Two of the ships, the M. C. Fox and W. A. Lee, are aground in Coddingtown Cove. The other was the escort Coolbaugh.

Rear Adm. Ralph Earle Jr., commander of the Newport Naval Base, said: "We hope to refloat them after 11 a. m. this morning at high tide."

The vessels are stuck in mud and sand, Earle said. "There are no reports of leaks and none of the ships is in danger of breaking up," he said.

The commander said the four destroyers all were rammed against about 2 a. m.

He said the M. C. Fox carries a crew of 250 men, the W. A. Lee a crew of 300, and the Coolbaugh 150.

The Navy said the blizzard struck with winds of up to 65 knots.

Rev. H. B. Wilhoite, Former Local Minister, Dies

The Rev. Hugh B. Wilhoite, pastor of the First Baptist church in Harrisburg about 1920-22, died Monday night in Oklahoma City, where he made his home.

Rev. Wilhoite, 72 years old, died in a hospital there after suffering a heart attack two weeks previously.

He was born in Louisville, Ky., and attended Georgetown college at Georgetown, Ky., and Southern Baptist seminary, Louisville.

He started in the ministry in 1918 and after holding a pastorate in Kentucky came to Harrisburg. He moved to Oklahoma in 1922, pastoring churches at Blackwell and El Reno before retiring a few years ago and moving to Oklahoma City.

Survivors include his wife, Minna G.; a son, Hugh B. Wilhoite Jr., and a daughter, Carolyn Wilhoite, of Oklahoma City, and a sister, Mrs. Harlan Snyder, of Coronado, Calif.

Miss Mary Richardson is Elected District Chairman of B. & P. W. Clubs

At a meeting of District 13 of Business & Professional Women's clubs Thursday evening, Miss Mary Richardson of the Harrisburg club was elected district chairman.

A dinner meeting preceding the business session was held at the El Rancho motel west of Fairfield. The Fairfield club was hostess to the clubs comprising the district.

There were over sixty business and professional women present. Miss Esther Kallenbach of Carmi, who is the retiring chairman, presided while reports of the four clubs' activities were given briefly.

The nominating committee presented the name of Miss Richardson for the new chairman and she was unanimously elected. Clubs in this district are Fairfield, Carmi, McLeansboro and Harrisburg.

Miss Richardson, an employee of the Register Publishing company as bookkeeper, is a charter member

and a past president of the Harrisburg club and has missed very few meetings of her club or the district meetings.

Six other members of the local club attended: Mrs. Zola Y. Sloan, who holds the office of state chairman of international relations, Miss Meriam Evans, president of the Harrisburg club, Mrs. Nelle Meyers, Mrs. Mary Lois Dabney, Mrs. Annabelle Melton and Miss Iris Craggs.

The Carmi club presented an international relations program in an original manner. The chairman, Mrs. Ruth Burdette, introduced five young women who had lived in Japan, Tripoli, N. Africa, French Morocco and England. One of the women was a native of England who came to the United States as the wife of an American and is now an American citizen; another was an exchange Girl Scout executive who went to England where Boy Scout and Girl Scout movements originated. They told of amusing customs of the several countries, displaying several small objects which they had brought to America, and also told of unusual experiences they had had.

Mrs. Rosalie Carner, McLeansboro, state business secretary, was present at the Thursday evening program. She told of the sudden death of the mother of Dorothy Fink of Edwardsville. Miss Fink, who has served as first vice president, is the candidate for the state president, election to be held at the state convention in St. Louis April 19, 20 and 21 at the Jefferson hotel.

The 1957 spring district meeting will be held in Harrisburg. The invitation was extended Thursday evening by Miss Evans and was accepted by the presidents of the other clubs.

Miss Richardson has appointed Miss Evans as her district secretary who succeeds Miss Elizabeth North of Carmi.

### Report Bloody Rioting in Russia

WASHINGTON (AP)—U. S. officials disclosed today they have heard rumors of bloody rioting in Russia apparently protesting attempts by Soviet leaders to discredit the late Josef Stalin.

The widespread rioting occurred in Georgia, Stalin's birthplace, March 9, according to reports. March 5 was the third anniversary of Stalin's death.

The State Department said it knew nothing about the reported riots. However, it said earlier that its officials have heard another report that Communist boss Nikita Khrushchev recently told party leaders Stalin was subject to "phobias."

### Marion Bradleys Buy Batchelder Home on South Vine

Mr. and Mrs. Marion Bradley, 507 North Webster street, who moved to Harrisburg last August from Peoria, have bought the G. C. Batchelder property at 213 South Vine street, and will occupy it early in April. Mr. and Mrs. Batchelder and their daughter, Frances, who have been living in Springfield, where Mr. Batchelder is employed, have bought a new home there at 18 Alberta Lane. Mr. Bradley is the manager of the Western Adjustment Co.

This transaction was reported by Ertan real estate brokers, who also sold to Tison & Hall the property owned by Mr. and Mrs. Ray Childers, immediately east of their plant, which will be enlarged to cover the new ground acquired.

Charles Ewell Jr., residing at 436 West Poplar street, and employed at Endicott's Excel Super Market, has bought the place at Pankeyville owned by Mr. and Mrs. S. E. Handley, and he and Mrs. Ewell will move there soon, the Ertans said.

Mr. and Mrs. Steve Takacs have bought property at Galatia, owned by Mr. and Mrs. Ed Luther and will move there soon.

### Harker Miley Buys John Stump Home

Harker Miley, who resides at 116 West Locust street and operates an insurance agency in this city, has bought the residential property at 406 East Church street, owned by Mr. and Mrs. John Stump.

Mr. Miley will occupy the house sometime in April or May.

This is a beautiful brick house built by Aud C. Clark, and was much visited during the lifetime of the late Mrs. Clark because of her beautiful iris garden.

**"IKE" STARTS DRIVE** — Clara Jo Proudfoot, 4-year-old National Easter Seal Child of Miami, Fla., sells President Eisenhower the first sheet of Easter Seals to help crippled children. The Chief Executive handed Clara Jo a five-dollar bill for the seals and then found some souvenirs for her in his desk drawers. (NEA Telephoto)

### Marion Catlin, 65, Dies; Funeral Sunday at 2 p. m.

Marion O. Catlin, 65, resident of 203 East College, died in the Harrisburg hospital at 11:40 a. m. yesterday. Death was due to pneumonia and complications. He had been in ill health since last spring and seriously ill for the past two weeks. He was a trucker by occupation.

Mr. Catlin was born in White county Jan. 17, 1891, and was married in 1908 to Evaline Buttery who died Feb. 21, 1934. He had been a resident of Harrisburg for 38 years.

He leaves five children: Harley Catlin, Hammond, Ind.; Hurley Catlin, Springfield, Ill.; Mrs. Marine Seets, Harrisburg; Mrs. Rosalie Mandville, East St. Louis; Mrs. Imogene Pankey, Hammond, Ind.; two half brothers, Arthur Buttery, and Fred Buttery, both of Terre Haute, Ind., and a half sister, Iona Nick, LaPort, Ind.; and 14 grandchildren. Four children preceded him in death.

Funeral services will be Sunday at 2 p. m. at the Gaskins funeral home where the body lies in state. Rev. Louie Durfee will officiate and burial will be in Sunset Hill.

### Detroit Man New President Of U. S. C. of C.

WASHINGTON (AP)—John S. Coleman, new president of the U. S. Chamber of Commerce, said Friday night he will urge businessmen to take a more active part in politics and public affairs.

Coleman said another chief goal during his year-long term will be to promote increased foreign trade.

The 58-year-old president of Burroughs Corp. of Detroit was elected as head of the chamber by the 53 member board of directors Friday. He will begin his term May 2.

Following his election, Coleman, who was born in Charleston, W. Va. told a news conference that businessmen, as individuals, "owe it to their country and the nation" to be active in politics "if this democracy is to survive."

The chamber also elected Clarke Bassett, vice president of the first National Bank of Minneapolis, a vice president. Other vice presidents were re-elected.

Albert L. Nickerson, president of Sacony Mobil, New York, and Hugh McKenna, former president of the U. S. Junior Chamber of Commerce, Omaha, were elected directors at large. Joe Barlow, Washington, was elected treasurer.

Miners' Exams at Eldorado April 26

Examination for miners' certificates will be held at Eldorado on April 26, from 9 a. m. to 2 p. m. at the mine rescue station. This will be one of a series of 12 exams in downstate cities, it was announced today by Ben H. Schull, director of the state Department of Mines and Minerals.

### Coast Guard Takes 30 from Grounded Ship

Rescue Attempts Take Place During Howling Blizzard

SCITUATE, Mass. (AP)—A Coast Guard rescue crew using a breeches buoy today removed the 30-man crew from an Italian freighter which ran aground in a howling northeast storm.

Calming seas and subsiding winds aided the Coast Guardsmen as they brought the crew ashore in a two-hour operation.

They were taken to the Scituate lifeboat station and were to be turned over to immigration authorities.

Two earlier attempts to get the line aboard, undertaken during the height of the howling blizzard that drove the ship onto the treacherous rocks, were unsuccessful.

The first man off was Gaetano Marcellino, 54, of Palermo, Sicily, a chief officer.

"About 2 o'clock yesterday," he said through an interpreter, "the seas became extremely rough. We couldn't see anything because of the heavy snow. The board just wouldn't steer in the rough water."

The 7,000-ton Italian freighter Etrusco was hurled aground on a sand beach studded with rocks by a storm the weather bureau described as the wildest in a generation. The raging seas foiled the 441-foot ship's attempt to run to shelter in the lee of Cape Cod.

Instead, the Etrusco was blown about parallel to the shore of this South Shore resort town, maddeningly close to safety for the jittery crew but separated from rescue by pounding surf.

Coast Guardsmen attempted to fire a line to the ship from shore and set up a breeches buoy to rescue the men but the first shot missed and then the gun's mechanism froze up.

The surf was too strong for the launching of a Coast Guard lifeboat and the cutter Coos Bay stood by, unable to approach because of the danger of being smashed into the stranded freighter by the murderous seas.

Off Bridgehampton, N. Y., on eastern Long Island, the 174-foot oil tanker, Sylvia, wallowed in the pounding seas with a full load of gasoline. The ship's officers reported that they had lost control of the rudder but the Coast Guard said the cutter Owaseo had reached the ship and was standing by in case the Sylvia drifted toward shore.

TEN REPORTED DEAD IN NEW ENGLAND

By United Press

A savage winter storm concentrated in the northeastern part of the nation and along the northern Atlantic Seaboard caused nearly a score of deaths.

Travel and communications came to a near standstill in much of the area and in New York State and as far west as Pittsburgh, Pennsylvania.

Ten persons were reported dead in New England because of the storm. Several more were killed in automobile accidents in New York City and at Cleveland, Ohio, two men died from exertion after shoveling snow.

Snowfall throughout the area measured from 4 to 12 inches.

Mayor Gibbons Urges Caravan to Attend Meeting at Carbondale

Mayor Claud Gibbons today invited a Harrisburg delegation to go along with him to the Carbondale meeting Monday night at which communities will report on their industrial potential to Gov. William G. Stratton and the advisory board of the new Illinois Division of Industrial Planning and Development.

The meeting will be at 7:30 at Shryock auditorium on the Southern Illinois university campus.

Mayor Gibbons said he would like to see a caravan of automobiles go from Harrisburg and persons interested in this should contact him by Monday.

#### BIBLE THOUGHT FOR TODAY

We are all partakers of that one  
bread. — I Cor. 10:17.  
Christendom is divided into  
numerous sects, but Christ is one  
and indivisible. If we partake of  
his nature we too must be one.

#### That's Not the Spirit

The United States is not accus-  
tomed to winning the Winter Olym-  
pics, though it has done better in  
past times than it did this year  
at Cortina.

But there is a sad lesson for us  
in the winter games just conclud-  
ed. Many of our athletes perform-  
ed brilliantly. Nevertheless they  
found themselves against stiffer  
competition than ever, and most  
of it came from one great source:  
the Soviet Union.

National prestige always has  
been deeply involved in these  
games. But it has gone beyond  
that now. Intensely conscious of  
the propaganda value of a good  
showing, Russia has made its  
sports program an instrument of  
national policy.

#### Light Liming Helps Insure Clover Stand

"Light liming" will help insure  
a clover stand where broadcast  
applications of lime haven't been  
on the land long enough in advance  
of clover seeding, says C. M. Lins-  
ley, University of Illinois extension  
agronomist. It usually takes 6 to  
8 months to get results from broad-  
cast liming, he adds.

"Light liming" is a temporary  
way to get the benefits of a par-  
tially sweetened soil for a single  
clover crop. It must be drilled  
with a grain drill to provide a rib-  
bon of sweet soil just below the  
seed. This gets the lime in close  
contact with the legume and gives  
soil organisms a chance to work.

Linsley says 500 pounds of good  
grade commercial limestone is as  
effective in getting a good clover  
stand as a similar amount of finely  
ground (200 mesh) limestone, es-  
pecially on soils medium in acidity.  
The commercial limestone feeds  
through the grain better than finer  
material, he adds.

He recommends 400-500 pounds  
of good grade commercial lime-  
stone per acre for "light liming."  
"Light liming" is practical on  
tenant farms where the owners will  
not cooperate in a liming program,  
or where the cost of 2 or 3 tons  
of lime per acre is prohibitive for  
the farmer. It also is a good sup-  
plement to inadequate broadcast  
applications or where broadcast  
applications were plowed under  
without being mixed with the soil,  
the specialist states.

#### "INSURANCE-WISE"

by

BILL GHENT

There is an old saying to the  
effect that "there is nothing new  
under the sun," but sometimes I  
am inclined to doubt the veracity  
of this when studying over the  
changes and new insurance forms  
which our companies are continu-  
ally writing.

For example, it is now possible  
for a motorist to buy a new and  
unique form of personal protection  
for himself and, if he wishes, for  
his family as a part of his regular  
automobile policy.

Briefly, this protection provides  
coverage for each named member  
of a family who sustains bodily  
injury or death caused by accident  
while in or upon or while entering  
into or alighting from, or through  
being struck by, an automobile.

In the event of death, an elective  
benefit up to \$10,000.00 may be  
chosen.

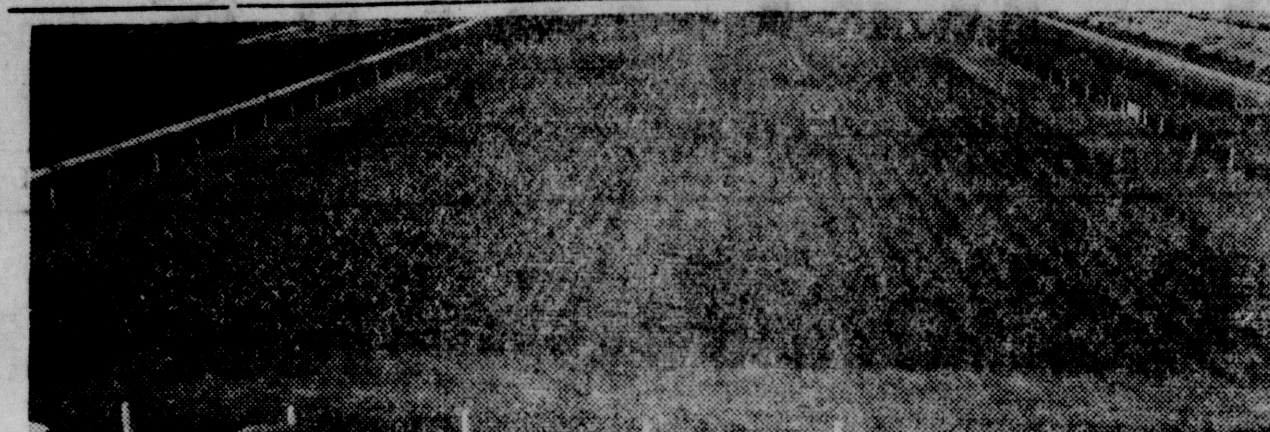

In the event of Dismemberment  
and Loss of Sight benefits range  
from \$2,500.00 to \$10,000.00.

In the event of Fractures and  
Dislocations benefits up to a maxi-  
mum of \$350.00 may be provided.

There are very few exclusions in  
this new Automobile Injury and  
Death coverage, and the rates are  
extremely low, ranging from only  
40c to 60c per \$1,000 per year.

The Robertson-Ghent Insurance  
Agency will be delighted to provide  
anyone with this coverage in con-  
nection with their automobile pol-  
icy.

## Hope for Heavy Demand for Tree Seedlings

SPRINGFIELD, Ill.—The 1956  
tree planting season has started in  
southern Illinois, but E. E. Nutt-  
tall, state forester, today reminded  
landowners from all parts of the  
state that they still have more than  
a month in which to order seedlings  
from the Illinois Department of  
Conservation.

The Division of Forestry still  
has seedlings in the following cat-  
egories: ash, black locust, cotton-  
wood, osage orange, multiflora  
rose, red gum, sycamore, tulip pop-  
lar, bald cypress, jack pine, loblolly  
pine, red cedar, red pine,  
shortleaf pine and white pine.

Nuttall said that in order to be  
certain of obtaining the desired  
stock, landowners should send in  
their orders right now, and not wait  
till the April 30 deadline. Stock  
will be shipped at the proper plant-  
ing time. Shipping will be express

collect unless the purchaser voices  
a wish to pick up the order at either  
Mason state nursery at Topeka,  
near Havana, or Union nursery  
near Jonesboro. Each order should  
include a minimum of 500 seed-  
lings.

Order blanks and additional in-  
formation are available from the  
Division of Forestry, Department  
of Conservation, Springfield, or  
may be obtained from farm fore-  
sters or soil conservation offices lo-  
cated throughout the state.

Director Glen D. Palmer said to-  
day that he hoped farmers and  
other landowners would exhaust  
the supply of seedlings at the state  
nurseries this spring "because ev-  
ery patch of new woodland not only  
will help improve the farmers' land,  
but also will be another aid  
to our wildlife population which  
needs all the help it can get."

"Should the soil bank plan be-  
come a reality, it will provide ad-  
ded incentive for farmers and land-  
owners to plant trees and multi-  
flora rose," Palmer added. "There  
are several million acres of land in  
Illinois which should be planted to  
trees which can provide a long  
range crop that will increase in  
value as the years go by. We in the  
department hope the demand for  
seedlings will increase so much that  
we will have to expand our nursery  
program."

## Senate Approves Bill To Extend School Milk, Brucellosis Programs

WASHINGTON (AP)—The Senate  
Thursday approved by voice vote  
a bill to extend the school milk  
program and the brucellosis con-  
trol program through June 30.

Democrats teamed with Sen.  
Milton R. Young (R-ND) to defeat,  
48-46, a Republican move to send  
the bill back to conference with  
the House and insist on a two-year  
extension of the milk program  
similar to one the Senate wrote  
into its farm bill Wednesday.

The bill passed Thursday would  
extend the school milk program  
until the plan contained in the  
farm bill becomes effective.

## Officers Find Moonshine on Tap

DETROIT (AP)—Sheriff's  
deputies found moonshine on  
tap Thursday night.

A raiding party said pure  
corn liquor was piped into a  
kitchen sink from two 600-gal-  
lon stills in a chicken coop of a  
farm near here. Two men  
were held for investigation.

## Results from Nitrogen Vary With Season, Soil

Crop responses from nitrogen  
fertilizers vary with the season  
and with soil conditions, says A. L.  
Lang, University of Illinois agron-  
omist.

He says soil treatment history,  
cropping program and yield expec-  
tations largely determine nitrogen  
need. For farmers who plan to  
apply nitrogen to corn this spring  
and want to get the greatest bene-  
fit per dollar, Lang offers the fol-  
lowing recommendations.

Apply 40-60 pounds of nitrogen  
per acre for second-year corn fol-  
lowing a legume if no manure is  
used. The same recommendation  
applies to corn following soybeans,  
corn following a poor stand of le-  
gumes, and corn growing on very  
sandy soil. Where there has been  
no legume, 80-120 pounds of nitro-  
gen will be required for corn fol-  
lowing corn, and for corn following  
soybeans.

After corn is up, tissue tests or  
leaf symptoms will help diagnose  
nitrogen deficiency. If the defi-  
ciency is found early enough, you  
can side-dress the corn with nitro-  
gen. If the corn is too tall for  
side-dress treatment, the leaf sym-  
ptoms or tissue tests can guide you  
in your soil treatment for next  
year.

Side-dressing with soil nitrogen  
can be done with an attachment  
on cultivators or with a fertilizer  
attachment on corn planters while  
the corn is still small. Anhydrous  
ammonia and nitrogen solutions  
should be applied with equipment  
made especially for the purpose.

Lang says side-dress nitrogen  
should be placed 4 inches deep or  
deep enough to reach moisture.  
To avoid root damage, apply ni-  
trogen 10 or more inches from the  
row. The soil should be in good  
tilth and not too wet or too dry.

Solutions without free ammonia  
may be sprayed on the soil before  
plowing or immediately behind the  
shovels of the cultivator. Avoid  
spraying concentrated nitrogen so-  
lutions directly on the leaves, since  
they may cause "burning."

## Du Puits Alfalfa Tops Old Varieties

A new alfalfa variety, Du Puits,  
(pronounced Do-Pwee) yields more  
than old varieties says C. N. Hittle,  
expert in forage crop breeding at  
the University of Illinois.

He recommends it for planting  
only in the southern two-thirds of  
Illinois.

Du Puits yields more, it starts  
faster in the spring, and it hardens  
later in the fall than varieties  
now grown. Du Puits in four  
straight years of testing at Urbana  
outyielded old varieties, such as  
Ranger, Kansas Common and Bu-  
falo, by 0.2 tons per acre per year.

Du Puits is not bacterial wilt  
resistant; therefore, it is recom-  
mended for only two or three-year  
stands. Bacterial wilt will not ef-  
fect it on a short rotation.

Hittle says that about 75 percent  
of the farmers in Illinois could  
plant it because they have short  
rotations.

He warns farmers to plant only  
certified seed. The planting rate  
is ten to twelve pounds per acre.

## SIU Country Column

By Albert Meyer

The gardening urge among all  
"green-thumb enthusiasts" ought to  
be at a high-fever level by this  
time.

By mid-March the pleasant study  
of colorful seed catalogs has given  
way to the actual job of getting  
seeds and plants into the soil. Some  
arduous gardeners who adhere to  
the magical values of special days,  
to gardening by certain signs of the  
zodiac and stages of the moon al-  
ready will have a lettuce bed seed-  
ed and will be keeping an eye on  
the almanac in planning the rest  
of their activities. Others may  
scowl at such ideas and be watch-  
ing the weather, the temperature,  
or the condition of the soil. What-  
ever individual beliefs may be, gar-  
dening time is here.

Proper working condition of the  
soil is as important for gardening  
as it is for farm field work. To  
disturb the soil when it is too wet  
to crumble well when rubbed in  
the hand is to invite difficulty in  
preparing a good seed bed or in  
cultivating. Gardeners will obtain  
the best results by following sug-  
gestions printed on the seed pack-  
et.

The gardener who has a green  
manure crop, such as rye, to turn  
under for increasing the soil's hu-  
mus content should be happy. A  
crop of well-rotted leaves or  
crop residues provides a good  
source of humus. Adding manure  
or commercial fertilizers as needed  
also are recommended.

Having the soil tested occasion-  
ally is a practice that often is ne-  
glected by gardeners. The aim, of  
course, is to maintain a high level  
of fertility for supporting lush  
growth and for producing more  
than one crop annually. To blind-  
ly add fertilizers may be a waste  
of good money and get the fertility  
level out of balance. To obtain  
maximum production and full uti-  
lization of fertilizers there must be  
a suitable balance of plant nutri-  
ents in the soil.

Do not overlook the value of  
starter solutions when transplant-  
ing vegetable or flower plants, says  
a Southern Illinois university vege-  
table specialist.

No doubt many gardeners have  
noticed cabbage or tomato plants  
turning a bluish or purplish color  
after early transplanting. Because  
the color is more noticeable when  
the weather is cool, there is a ten-  
dency to blame the color change on  
this. The plants do not start off  
as vigorously as they should. The  
purplish color indicates a lack of  
phosphorus. Sufficient amounts of  
the nutrient may be in the soil but  
it does not move through the soil  
to the plant's roots. Before the  
deficiency will be overcome plants  
newly placed in the garden must  
start root growth to reach the phos-  
phorus in the soil. However, plant  
growth is slower in cool weather  
so the deficiency is more pronoun-  
ced and the purplish tint is more  
noticeable.

Using starter solutions when  
transplanting is a method of over-  
coming this difficulty. These are  
soluble fertilizers which have an  
especially high phosphorus con-  
tent. The middle number in the  
analysis statement indicates this.  
Dissolve the fertilizer in water ac-  
cording to directions.

Dipping plant roots in the solu-  
tion and pouring some of the ma-  
terial around the roots during trans-  
planting will help in two ways.  
Roots will absorb some of the phos-  
phorus when set in the solution for  
a short time. Pouring it in the  
plant hole will help settle the soil  
more closely around the roots so  
that they will be able to reach the  
phosphorus more quickly.

Saline county farmers are re-  
minded that Commodity Credit  
Corporation loans on 1955 crop  
wheat will mature on March 31.

## CCC Wheat Loans Mature March 31

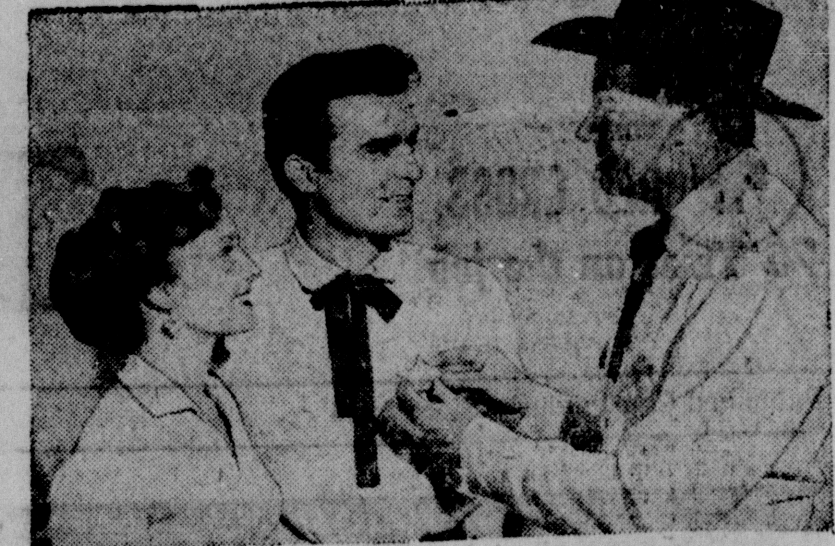

This means, says Herman Dis-  
kell, chairman of the Saline Agri-  
cultural Stabilization and Conser-  
vation committee, that farmers  
with wheat under price support  
are approaching the deadline for  
important decisions. They have  
two alternatives. First, if they  
wish to market their wheat or use  
it for feed or seed, they may pay  
off the loan before the March 31  
deadline. Second, they may turn  
their wheat over to the Commodity  
Credit Corporation in settlement  
of the loan, in which case proper  
arrangements must be made  
through the local ASC office.

There is no on-the-farm resale  
program for 1955 wheat, continued  
the committeeman. Individual no-  
tices of action that can be taken  
have been furnished to all produc-  
ers who now have wheat loans and  
purchase agreements. If there are  
any questions, please do not hesi-  
tate to call at our office located in  
the City Hall, Harrisburg.

## If You Have Gullies, Spring is the Time To Make Waterways

If you have gullies on your land,  
spring is the time to think about  
leveling out and reseeding them  
to make a grass waterway. Well  
sodded waterways prevent costly  
erosion and mean extra dollars in  
your pocket.

B. F. Muirheid, agricultural en-  
gineering specialist at the Univer-  
sity of Illinois, recommends seven  
steps in establishing and maintain-  
ing a grass waterway: 1. Leave all  
established sod. 2. Provide a wide  
channel. 3. Make soil condition  
favorable for seeding. 4. Seed with  
a good grass mixture. 5. Prevent  
livestock damage. 6. Mow regu-  
larly. 7. Stagger furrows along  
waterway when plowing.

Joel McCrea gives Keith Larsen a badge as Vera Miles watches,  
in Allied Artists' "Wichita," in CinemaScope, print by Technicolor,  
to show at the Grand Sunday and Monday.

Frank Sinatra and Eleanor Parker in a pensive moment from  
"The Man With The Golden Arm," released thru United Artists,  
to show at the Orpheum Sunday, Monday and Tuesday.

## Don't Spray Nitrogen On Plants

UREANA—Plants can use liquid  
fertilizer when it's sprayed on the  
leaves, but it isn't practical or  
economical to fertilize common  
farm crops in that way.

C. M. Linsley, University of Illi-  
nois soils man, says there are two  
reasons why you shouldn't spray  
fertilizer on plant leaves. First,  
only small amounts can be put on  
at one time, since too much burns  
the leaves and reduces yields. Sec-  
ond, liquid fertilizer sold for leaf  
spraying costs much more than the  
liquid or dry fertilizers sold for  
direct soil application.

In tests conducted by agronom-  
ists E. B. Early and R. D. Hauck,  
corn leaves were burned and  
yields were reduced after 40  
pounds of nitrogen was sprayed on  
the leaves.

Likewise, no advantages result-  
ed from using the spray method  
on wheat, although in some cases  
yields were equal to wheat that  
was top-dressed.

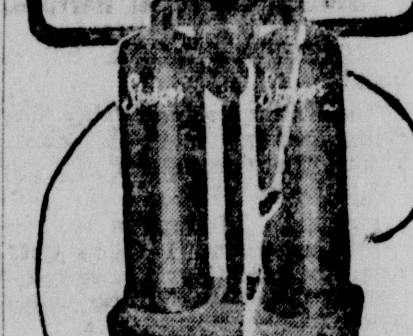

If you are considering liquid  
fertilizer on the leaves, you better  
do some figuring first, Linsley  
warns. Compare the cost of spray-  
ing liquid nitrogen to that of nitro-  
gen for soil applications.

Here's how to do it. A typical  
sales literature recommendation  
may call for two gallons of nitro-  
gen for each of two spray appli-  
cations. Since each gallon weighs  
about 11 pounds, that would be a  
total application of 44 pounds of  
solution for each acre.

Corra Parchman, superintendent  
and teacher.  
Morning worship 11.  
Prayer meeting Wednesday and  
Friday 7:30 p. m.

**Lone Oak Methodist**  
Irvin Braden, pastor  
Sunday school 9:30 a. m.; Eugene  
McConnell, superintendent.  
Worship each second and fourth  
Sunday 11 a. m. and 7:30 p. m.

## High School Honor Roll for Fourth Period

The honor roll at the Harrisburg Township high school for the fourth six weeks period includes a total of 121 students; 89 girls and 32 boys.

The honor roll was topped by Robert Jones, junior, who has an average of 98.15 and David Nelson, freshman, whose average was 98. Guests at Rotary club who have not previously been there will be Larry Smith, freshman, 97.12; Kendall McDonald, sophomore, 97.14; Lois Annis, junior, 96.45; and Carolyn Endsley, senior, 96.45.

## Convict Six Army Employees for Black Market Ring in Japan

TOKYO (AP) — A U. S. Army spokesman said today that Maj. Gen. E. J. McGrath would review the court martial convictions of six American employees of the Army for operating a liquor black market ring in Japan.

The Americans, sentenced to prison terms ranging from one to two years and fines up to \$2,500, will be held in an Army stockade pending the review.

Japanese workers at Yokohama Army liquor stores currently are being tried in connection with the case in which 676 cases of liquor were bought and sold illegally to Japanese dealers for some \$13,550.

# Social and Personal Items

MR. AND MRS. FREDERICK D. HARRIS are shown following their marriage Friday, March 9, in the chapel of the First Methodist church. Mrs. Harris is the former Shirley Stephenson, daughter of Mr. and Mrs. Ivor Stephenson, 418 West South.

**Miss Shirley Stephenson, Frederick D. Harris**  
Wed At Methodist Chapel  
In a simple but impressive ceremony which took place Friday, March 9, in the chapel of the First Methodist church, Miss Shirley Ann Stephenson, daughter of Mr. and Mrs. Ivor Stephenson, 418 West South, became the bride of Frederick D. Harris, son of Mr. and Mrs. Jewel Harris, of Carrier Mills. The Rev. W. L. Cummins officiated at the double ring service.

The bride wore a street length dress of white taffeta designed princess style with a boat neckline edged in sequins. She wore a hat of blue flowers and carried a cascade of white daisies.

Miss Carolyn Render was maid of honor dressed in pink and carrying a colonial bouquet of pink and white baby mums.

Best man to the bridegroom was Jerry Beasley, Carrier Mills. Following the wedding a reception was held at the home of the bride's parents. The bride's table was centered with a three tiered wedding cake encircled with yellow baby mums. Hostesses were Mrs. Jack Vaughn and Miss Carolyn Render.

The bride and bridegroom are now at home at 311 North Main.

Mr. Harris is a graduate of the Carrier Mills Community high school and graduated from the Southern Illinois university with a B. S. in Education. The bride is a graduate of the Harrisburg Township high school and is employed as secretary at the Sullivan Loan Company.

**Ladies' Bible Class Meets**  
With Mrs. Roy Hudnell  
Mrs. Roy Hudnell was hostess to the Ladies' Bible class of the Dorrisville Baptist church Thursday evening.

The meeting opened with the song "What a Friend We Have in Jesus," accompanied by Mrs. Debbie Bush at the piano. In the absence of the president, the vice president, Mrs. Maud Shelton gave the devotion using the 23rd Psalm. Several prayers for the revival which will begin Sunday night, March 18, at the Dorrisville Baptist church, were offered.

Roll call was answered with scripture quotations. Following the business session entertainment was furnished by Mrs. Fay Dill and Mrs. Bush. Game prizes were won by Mrs. Nina Vaughn, Mrs. Peoria Langford and Mrs. Annis Wallace. Mrs. Irene Stout received the door prize.

Mrs. Hudnell served lemon fluff, coffee and Cokes to those present: Mrs. Maud Shelton, Mrs. Fay Dill, Mrs. Mary Gholson, Mrs. Nina Vaughn, Mrs. Irene Stout, Mrs. Lawrence Norman, Mrs. Thelma Dunning, Mrs. Cora Dixon, Mrs. Mae Holland, Mrs. Peoria Langford, Mrs. Debbie Bush, Mrs. Annie Wallace and Mrs. Mary Wilkinson.

Miss Carol Richmond, daughter of Mr. and Mrs. Leo Richmond, spent a part of this week at Sparta, visiting a classmate at the Southern Illinois university. Miss Marilyn Becker. Together they went to Rolla, Mo., to attend the St. Patrick's Day activities there at the Rolla School of Mines, which included a St. Patrick's Day dance this evening.

## Calendar Of Meetings

The Michael Hillegas chapter of the D. A. R. will meet at the home of Mrs. Victor Humm Monday, March 19, at 2 p. m. A musical program will be presented by Mrs. Pat Sullivan.

## No Blarney—Register Want Ads Get Results

"Sure-N-Begorra!"  
The quick cash results obtained through a want ad in The Daily Register are no blarney.

What spring cleaning prompts you to store away—sell instead through Register classified ads. Putting it in storage depreciates its worth. Putting it in a want ad gets you what it's worth!

**TO WED SUNDAY** — Mr. and Mrs. Garland Fulkerson, 418 West Walnut, are announcing the approaching marriage of their daughter, Peggy Jane, to Charles H. Boner, son of Mrs. Pearl Boner of Centralia. The wedding will take place Sunday, March 18, at 3 p. m. at the McKinley Avenue Baptist church.

## Buena Vista Class Meets

With Mrs. Savannah Suver  
The Loyals Workers Ladies' Bible class of Buena Vista met at the home of Mrs. Savannah Suver, Thursday, for a potluck dinner.

In the afternoon the president, Mrs. Mary Shell, called the meeting to order. The group sang "We'll Work Till Jesus Comes," followed by prayer by Mrs. Laura Suver. The devotional lesson, read by Mrs. Lela Suver, was taken from the 17th chapter of St. Luke. Mrs. Ada Hubbard and Mrs. Orpha Wagner sang "Blessed Assurance," followed by a discussion of the song by Mrs. Tess Rogers. Mrs. Ruth Pickford sang "What a Friend We Have in Jesus," which was followed by a discussion by Mrs. Viola Snyder.

Mrs. Lela Hughes sang and dedicated a song to Mrs. Suver. Also entertaining was Mrs. Tess Rogers with an original reading in honor of Mrs. Suver, entitled "Our Neighbor." Mrs. Laura Suver gave a reading in keeping with Easter, entitled "Do You Dare." Miss Cathy McConnell, sang "Faith, Hope and Charity," and Mrs. Lela Suver closed the worship period with prayer.

For the social period an Easter hat parade was held. Each member made their own hat. Mrs. Louis Buchanan received the prize for the prettiest hat and Mrs. Lela Hughes received the prize for the most unusual. Game prizes were won by Mrs. Nell Denny and Mrs. Betty Prusaczyk and the door prize was awarded to Mrs. Lizzie Weaver.

Others present were Mrs. Gertie Ohl, Mrs. Ethel Blue, Mrs. Julia Dunn, Mrs. Bonnie Neal, Mrs. Barbara McConnell, Mrs. Mildred Smith, Mrs. Lela Webb, Mrs. Ida Cox and Steve Prusaczyk.

Mr. and Mrs. C. A. E. Hauptmann have received word that their son, William L. Hauptmann, was promoted to captain in the Air Force on Feb. 1. Capt. Hauptmann is pediatrician at Parks Base hospital at Pleasanton, Calif.

## Marriage Licenses

John Bernard Jones, 54, Downey, Ill., and Anna Edna Butler, 51, Harrisburg.  
Clark Lee Vineyard, 19, Harrisburg Route 1, and Carolyn Diane Barger, 20, Harrisburg.

## Hospital Notes

**Harrisburg Hospital**  
Admitted: Mrs. Mamie Langford, 1124 Hobson.  
Mrs. David Flota, Carrier Mills.  
Mrs. Jack Horning, 605 North Main.

## High School Home Bureau Holds Monthly Meeting

The High School unit of Home Bureau met Tuesday, March 13, at the home of Mrs. J. J. Klein with Mrs. David Evans as assistant hostess.

The meeting was called to order by the vice chairman, Mrs. Nima Parish, in the absence of the chairman, Miss Lorene Rigby. Roll call was answered by telling favorite subjects in school.

The major lesson on "Draperies" was given by Mrs. Clyde Webb and Mrs. Trafton Dennis. Mrs. Webb also gave the minor lesson entitled "Selecting a Choice of Subjects to be Given for the Coming Year."

The unit signed a get-well card to send to the home adviser, Mrs. Harry Harper, who recently returned home from an Evansville hospital.

There were 13 members present and one guest, Mrs. Don Houpt. The hostess served delicious refreshments in keeping with St. Patrick's Day.

## Isolate Nine Prisoners After Brief Riot, Fire

CHICAGO (AP) — Nine prisoners, condemned to death, were isolated in their cells today after they staged a brief riot and started a fire in the county jail death row.

Warden Jack Johnson blamed Friday's uprising on Vincent Ciucci, convicted slayer of his wife and three children. Ciucci charged he was being "framed" by someone who hid two .38 caliber shells in his bunk.

Johnson discovered the fire while he was on his way to talk to Ciucci after the prisoner asked for an interview. The blaze was in a cell used by prisoners for recreation.

Another prisoner had smashed two windows, apparently to get air.

Johnson grabbed a hose, extinguished the blaze and ordered the maximum security prisoners to return to their individual cells. They obeyed with no further disorder.

Ciucci apologized for the uprising and said:

"I just wanted to get you down here in a hurry. I wanted to turn the bullets over to you before I got in trouble for having them."

A search of the death row cells after the uproar turned up a crudely fashioned knife, apparently made from the handle of a tin cup.

## No Holiday Spirit—Or Spirits for Irish in Ireland

DUBLIN (AP)—Today is St. Patrick's, and Irishmen the world over are wearing a bit of green and looking fondly towards the old homeland.

Millions of their brethren here are thirstily wishing they could exchange places with them. For the sad fact about Ireland's national holiday is that the bars are closed all day.

This as such as anything makes Irishmen gloomy about St. Patrick's Day. Over the years it has made the holiday less of a celebration in the mother country than among Irishmen abroad.

"Sure, and New York has taken over St. Patrick's Day now," said news vendor Bill Brennan, 67. "The people just don't seem to be very interested any more, and the married women spend most of their time growling about the inconvenience caused by the shops being shut for the day."

Not only has the spirit (and spirit's gone, Brennan says. "Even the price of the shamrock has gone up—and most of it isn't shamrock at all."

"It's clover."

## 120,000 Irishmen To March in St. Patrick's Parade

NEW YORK (AP) — About 120,000 Irishmen of every nationality will march proudly up Fifth Avenue for six hours today under the eyes of the No. 1 Irishman, Prime Minister John A. Costello.

Costello will be the first Irish Prime Minister to review the 120th Annual St. Patrick's Day parade sponsored by the Ancient Order of Hibernians. New York promised him its biggest, best and longest.

The weather was expected to be cloudy and cool, but parade chairman John Joseph Sheehan, a native of Gleann Chorbairge, bravely predicted that the Saturday holiday will swell the throng of spectators to two-million. The less hearty can watch on television.

## Two-Week-Old Boy Suffers Fractured Skull; Charge Father

CHICAGO (AP) — A 2-week-old boy was in a hospital with a fractured skull today and his father was accused of assault to kill.

The father, David A. Deuble, 27, Evanston, was freed on \$10,000 bail. Authorities said he admitted slapping his son Karl Friday morning after the baby awoke and refused to take a bottle.

## Billy Graham Film, "Oiltown, U. S. A.," To Be Shown Here Tomorrow

COLLEEN TOWNSEND EVANS

Rev. Billy Graham, nationally known evangelist and producer of the world's first Christian western film, "Mr. Texas," will be seen in another religious film, "Oiltown, U. S. A.," to be presented here on March 18 at the First Baptist Church.

Joe Norman, pastor, in charge of local arrangements for the showing, announced that the picture will be shown twice, at 7:00 p. m. and 8:45 p. m.

Graham's film features the Evangelist and members of his team in their city-wide evangelistic crusade in Houston, Texas. Highlighting the film are scenes from the meeting in Rice Stadium where 60,000 gathered to hear Graham for one of the largest evangelistic meetings in American history.

Featured in the film are professional Hollywood players who have become Christians themselves, including Colleen Townsend Evans, Georgia Lee, Paul Power, Robert Clarke and the stars of "Mr. Texas," Redd Harper and Cindy Walker. "Oiltown, U. S. A." is in natural color and is approximately ninety minutes in length.

The second showing at 8:45 p. m. is for the benefit of members of other churches who might want to attend after their own services. There is no admission other than a freewill offering.

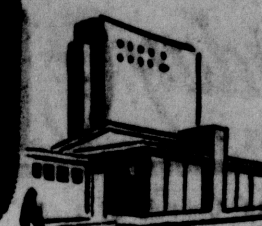

## NOTICE

The office of the late Dr. N. A. Herrmann in the Clinic building will remain open until April 1, for the settlement of accounts. Those who know themselves to be indebted are asked to call before that date.

## Large Crowd Attends Entertaining Musical Revue Presented by HTHS Band

A large crowd was present last evening at the Harrisburg Township high school Bonnell gymnasium for a most entertaining musical program entitled "High School Hi-Lites," presented by the HTHS band under the direction of Marshall M. Cothran.

The program opened with the music revue theme song "Moonlight Serenade" played by the stage band which includes Linda Rude, piano; drums, Bill Brantley; trumpets, Bill Bottomley, Bill Skaggs and Jerry Holden; trombones, Charles Dabney and Dale Martin; saxophones, Jerry Bramlet, Herbie Parks, Harold Abraham and Allen Burbank.

Musical numbers presented were: "Blue Jean Blues" stage band; "How High the Moon," Carol Lightfoot with stage band; a skit, Co-Co-Mo-Jo, by Shelby Fritch; "Seventeen" dancing chorus with stage band; "September Song," Hi-Lites; "Jealousy," stage band; "The Little Red School House," dancing chorus; "If I Loved You," Judy Hicks; a skit, "Silas Outsmarts the Slicker," Chuck Ford and Lou Williams; "Hungarian Rhapsody," piano duet by Diane Mathis and Paula Reynolds; "Tenderly," stage band; "Hawaiian War Chant" by David Burnam, Dick Childress, John Baker and Larry Landers; and "Muskrat Ramble," dancing chorus with stage band.

The Hi-Lites were Connie Brown, Judy Hicks and Judy Whiteside.

So many things develop from within, and so do we. The chick comes out of the egg, the flower from a tiny seed, the tree adds rings year after year to its outer core. Always it is the inner life.

And so it is with the heart of man. When the inner man is fed by God's Holy Word, the outer life becomes a joyful expression, a vital power that overcomes all obstacles and sweeps on to eternal life.

The Church nourishes the inner life of spirit so essential to outer growth and beautiful expression. From the Church comes the instruction and inspiration for happy, worthwhile living. Attend some church regularly, and see what a difference it makes.

## THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Psalms	96	1-13
Monday	John	2	1-13
Tuesday	John	3	14-21
Wednesday	John	10	1-10

## Sunday School Lesson

By Dr. Archie E. Brown  
Pastor First Baptist Church  
Vandalia, Ill.

### 'Jesus Institutes The Lord's Supper'

Luke 22:7-23

**GOLDEN TEXT:** For as often as ye eat this bread, and drink this cup, ye do show the Lord's death 'til he come." (1 Cor. 11:26)

**INTRODUCTION** — Jesus was coming down very near the end of his earthly ministry. He wanted to do something to impress upon the minds of his disciples the importance of the sacrifice he was soon to make on Calvary's Cross. This could well be called the "re-membrance supper."

Jesus had watched the poor widow place her last mite in the collection box, and he taught his disciples the meaning of true stewardship. He had recently told his disciples that "his hour" was near at hand. He was trying to prepare them for the events immediately ahead.

Judas had connived with the temple priests to betray Jesus. In so doing, Judas removed his name from the hall of fame. Today he is known as the world's worst, most dishonorable, betrayer. He could have been remembered as one of the world's outstanding defenders of truth. Once to every man and nation comes the moment to decide. Judas made the wrong choice, or, decision.

### I THE LAST PASSOVER (VV. 7-13)

It was the time for the observance of the Passover Feast. This feast was observed annually. It was in remembrance of the night that the death angel passed over Egypt. That night the first born of every family died, where the blood of the sacrificial lamb was not found on the door-posts of the house. The Children of Israel were set free of their bondage and permitted to leave Egypt that night. Ever since that time the Jews have celebrated the Feast of the Passover.

Now, Jesus is about to make the perfect blood sacrifice for the souls of men. This would forever set man free from death and the bondage of sin. The Lord's Supper would take the place of the Passover Feast. The followers of Christ would remember his death by observing the Lord's Supper just the same as the Children of Israel had remembered their deliverance from bondage of observing the Passover.

### II THE LORD'S SUPPER (VV. 14-20)

In I Corinthians 11:26 we find  
**Additional Church Notes On Page Three**

that we show forth the death of Jesus as often as we observe the Lord's Supper. Jesus also said that, "as oft as ye do this ye do it in remembrance of me." In other words, the purpose of the observance of the Lord's Supper is that we might remember his sacrificial death on our behalf. He took the cup and gave thanks, and said, take this and divide it among yourselves." What a scene! Jesus and his disciples have met to observe the Passover Feast for the last time. The blood of the New Covenant is about to be shed. Therefore, Jesus initiates the Lord's Supper to be used in remembrance of that shed blood on Calvary.

There is a sense in which "communion" takes place. There is communion between the individual and God as he takes part in the observance of the Lord's Supper. Some folks, therefore, call this ordinance, "communion." (I like the term, "Lord's Supper," much better.)

### III JUDAS' BETRAYAL (VV. 21-23)

For three years the Twelve had travelled together. There had been a wonderful fellowship within the group. They had sat at the feet of the Master and had learned from him.

Can you imagine the feeling that must have run through their midst as Jesus said: "Behold, the hand of him that betrayeth me is with me on the table?" That meant that one of the Twelve was to betray Him.

Notice that in their consternation each one said: "Lord, is it I?" Each one was searching his own heart. Too often today, even Christians will turn and say: "Is it you? Is it you? We need to follow the example of those disciples and turn the search-light of truth upon our own hearts.

Judas had already made arrangements with the temple priests to betray Jesus. That night he "went out into the night." It was the darkest night of his life. Soon he would rush into the presence of the priests, throw the thirty pieces of silver at their feet, and declare: "I have betrayed innocent blood." In so doing he would not confess to God and repent, but he would go out and commit suicide. "The way of the transgressor is hard."

**CONCLUSION** — Some churches observe the Lord's Supper each Sunday. Some observe it once each month, and some, once per quarter. Some churches observe it on Sunday morning and some on Sunday night. Jesus instituted it on Thursday night. He left no instructions as to how often, nor as to what time of day, we should

observe the Lord's Supper. He said: "As often as ye do this, ye do it in remembrance of me." Therefore, let us think on Him, and give thanks for the price he paid for our ransom from hell, every time we observe the Lord's Supper.

**Mt. Pleasant Baptist**  
W. H. Hughes, pastor  
Sunday school 9:30 a. m. Frank Williams, supt.  
Morning worship 10:45.  
Rev. W. H. Hughes and choir and congregation will be with Bethel A. M. E. church at 3 p. m. Rev. Hughes will be guest speaker.

Monday 1 p. m. Mary Smith circle will meet with Mrs. Essie Fields; at 6 p. m. junior choir rehearsal.

# West Rockford Eliminates West Frankfort, 82 to 70

## Warriors Meet Dunbar; Edwardsville, Oak Park Also in Semifinal Play

### Redbirds Put Up Game Fight Against Tall Rockford Five

By JIM KLOCKENKEMPER  
United Press Sports Writer  
CHAMPAIGN, Ill. — Rockford West today was only two notches away from its second consecutive Illinois high school basketball championship, and most observers believe West will make it.

The towering, talented Warriors first met a Chicago Dunbar quintet which lacks poise, polish and defensive ability but can toss the ball through the hoop as though the ball had eyes.

The Rockford West-Dunbar semifinal will be the second this afternoon, with Edwardsville opposing the tournament surprise team, Oak Park, in the first semifinal.

The semifinal winners will meet tonight at 9 p. m. for the championship, with the losers playing at 7:30 p. m. for third place.

### Beats West Frankfort

Rockford West, with 6-7 center John Wessels nearly reaching the

RESULTS. SCHEDULE OF STATE TOURNEY  
CHAMPAIGN — Results of Friday's Illinois high school basketball quarter-finals and the schedule of semifinals and finals today:  
Friday  
Edwardsville 68, Quincy 44.  
Oak Park 63, Peoria Central 48.  
Rockford West 82, West Frankfort 70.  
Chicago Dunbar 73, Rantoul 58.  
Today  
1:15 p. m. Edwardsville (27-5) vs. Oak Park (18-7).  
2:45 p. m. Rockford West (26-1) vs. Chicago Dunbar (28-2).  
7:30 p. m. Third place game.  
9 p. m. Championship game.

Individual single-game scoring record by hitting 36 points, smashed West Frankfort 82-70 in the Friday quarter-finals.  
In the other quarter-finals, Edwardsville outplayed Quincy 68-44; Oak Park upset Peoria Central 63-48; and Dunbar tripped to a 73-58 victory against Rantoul.  
Rockford West just had too many guns for West Frankfort, although the Redbirds played great ball at times. The Rockford club shot a scorching .620 from the floor in the first half and finished with a .531 average. It was the 26th victory out of 27 tries for the Warriors.

West Frankfort shot a commendable .414 in the first half, and wound up with .382.  
The Redbirds wound up their season with a record of 21 won, 11 lost.  
Wessels' 15 field goals and six free points left him two short of the record 38 points scored by Ted Caiazza of La Grange in 1953 against Decatur St. Teresa, and one field goal short of the 16 swished by Bob Doster, Decatur, in 1945, and Max Hooper, Mount Vernon, in 1951.

### Redbirds Take Early Lead

With his team far ahead, Rockford West Coach Alex Saudargas started to take Wessels out with 1:13 to play, then realized Wessels had a chance at the scoring mark and left him in. But the attempts to feed the star scorer were in vain as they resulted in steals by West Frankfort and fouls by Rockford West.

West Frankfort showed they weren't in awe of the champions by jumping off to a short-lived 3-1 lead. But the Warriors, with Wessels and Nolden Gentry, also 6-7, controlling the boards, had a 25-17 first quarter margin.

West Frankfort switched from its tight zone to a press by the guards

and a man-to-man defense and cut the Warrior lead to four points after about three minutes of the second quarter. But the score was 46-33 for Rockford West at the half.

### Neibel Scores 28

West Frankfort's scoring combination of Mannie Jackson and Governor Vaughn clicked for 40 points in the run-away win against Quincy. Jackson fired an even .500 on his favorite jump shots, ramming in nine of 18 and adding six charity tosses for 24 points.

Quincy played cautious ball thru most of the game and couldn't cope with the Edwardsville speed. Edwardsville's pressing and man-to-man defensive tactics upset the Quincy set pattern offense. The Blue Devils shot an ice-cold .310 in the first half and .241 for the game. Les Kewney and Gary Phillips each got 14 for the losers.

### Huskies Wanted to Win

Coach Dawdy Hawkins of Peoria Central told the story of why the Oak Park Huskies pulled the tournament's biggest surprise to beat the Lions 63-48.

"They had something we didn't have," Hawkins said, "desire to win."  
Oak Park had that all right. With two men in their lineup at 6-2, another at 6-1 and two guards under six feet, the Huskies out-rebounded a 6-3 Peoria front line headed by Gene Toms, 6-5.  
When Central shot, all five Huskies were under the basket waiting for the rebound. Oak Park center Rod Hartless, 6-1, was supreme under the boards and got 13 points, the same as little Joe Comford, a dead-end guard.

### A Ragged Finale

In the Friday finale, both Dunbar and Rantoul played ragged basketball, but Dunbar had height to get the ball, speed to take it down the floor and an offhand shooting excellence all its own. Dunbar led 36-27 at the half, although shooting only 326 to Rantoul's 300. But Dunbar had 52 shots at the basket and Rantoul only 22.

Dunbar hardly justified the claim of its coach, Ervin (Dutch) Rittmeyer that his team is better defensively than the 1954 Chicago Du Sable team.  
Rittmeyer said he was dissatisfied with his club's performance. But with all five of his players hitting in double figures, led by Alpha Saunders with 19 and Mel Davis with 17, Rittmeyer showed he has a team that is always dangerous.  
Rantoul's 6-7 center Dave Moran lead the Eagles with 15 markers. Guard Bob Lathrop got 13, as did Jerry Zachary, who had one of his coldest nights from the field, hitting two of 16 tries.

### Tenley Albright Retains U. S. Crown For Figure Skating

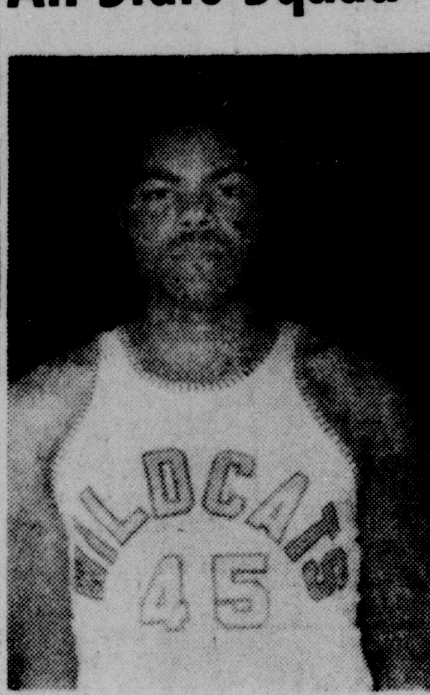

PHILADELPHIA — Only the king remained to be crowned as the 1956 U. S. figure skating championships drew to a close today with Tenley Albright still reigning as queen.

The men's single title will be decided tonight at the arena, but it appeared that Hayes Alan Jenkins of Colorado Springs, Colo., would skate away with the national laurel for the fourth straight year. Jenkins, Olympic and world champion, held the lead at the end of the school figures competition with five ordinals and 885.5 points. His closest rival was Ronnie Robertson, 18-year-old Paramount, Calif., youngster.

FIFTEEN HUNDRED MILES from their home in Ridgway, the National Champion Shetland pair, "King's Review" and "Silver Mane's Magic Patton," receive the blue ribbon in the Cuban International Livestock Exposition at Havana, last week. This pair also won the Tandem class, one of the most difficult of all to drive, with Trainer Roy Conner, shown here, at the reins. (Shetland Journal Photo by Jim Roberts)

## Name Rollins on All-State Squad

Oliver Rollins

Oliver Rollins of Carrier Mills has been named to the All-State basketball squad as announced by the Chicago American.

Each year the American names All-Southern, All-Northern and All-State all-star squads. Rollins was a member of the All-Southern group named Thursday and in today's edition of the Chicago newspaper the All-State group includes Rollins.

Rollins represents the smallest enrollment school of any member of the team. Enrollment figures run from the 287 of New Trier to Carrier Mills' 218.

The squad: Ken Anderson, Moline; Dave Cadwallader, Lincoln; Nolden Gentry, West Rockford; Jarrell Graham, Mt. Vernon; Manny Jackson, Edwardsville; Richard Jones, Herrin; Jerry Lindsey, Dundee; John Magnuson, New Trier; Don Margenthaler, Pinckneyville; Bob Parnisari, LaSalle-Peru; Bill Russo, St. Phillips; Alpha Saunders, Dunbar; Gene Toms, Peoria Central; Gene Velloff, Alton; John Wessels, West Rockford; and Oliver Rollins, Carrier Mills.

Players from southern Illinois receiving outstanding commendation included Jack Nolen, Shawneetown; Russ Martin, Carbondale; Alan Gosnell, Lawrenceville and Jim Morris, Centralia.

The special mention list included Ivan Jefferson and John Tidwell of Herrin, Alex Singer of Pinckneyville, Don Griffin of West Frankfort, Roger Sloan of McLeansboro and Ron Winter, Carmi.

## LITTLE LIZ

## Shetland Show Ponies from Ivan Green Stables Hit of the Show in Cuba

Shetland show ponies from the nationally-famed stable of Mr. and Mrs. Ivan B. Green at Evergreen Farms, Ridgway, have added new laurels to their record, this time with a history-making trip to Havana, Cuba, where they competed before President and Mrs. Fulgencio Batista.

Four ponies from the Evergreen Stable made the 19-day trip to Havana, as part of a group of 30 from this country taken to the Cuban International Livestock Exposition at Rancho Boyeros International Airport. They were the first Shetlands ever seen in Cuba, and were the hit of the show.

The Evergreen fine harness pair, "King's Review" and "Silver Mane's Magic Patton," driven by Trainer Roy Conner, won both the pair class and also the event for ponies in Tandem. This pair in February was cited as the National Champions for both of these events, by The Shetland Journal, official breed publication.

By United Press  
Bill Russell said the San Francisco Dons were "adding a new spoke to the wheel" and it looks as though it'll take a tough roadblock to keep them from rolling to their second straight NCAA basketball championship.

The Dons opened their bid to retain the crown Friday night by wallowing UCLA, the Pacific Coast conference champion, 72-61. Russell, the 6-10 All-America star, played his usual brilliant game.

That wasn't news. It was the play of sophomore Gene Brown that made things look bright for the champions as they scored their 52nd straight victory. Brown is a replacement for K. C. Jones, the team captain and All-America guard who isn't eligible for the tournament.

First-Class Prophet  
"Gene is just a new spoke in the wheel," Russell said and Brown made him look like a first-class prophet by leading the individual scoring with 23 points.

In the other regional game at Corvallis, Ore., Utah defeated Seattle 81-72 and meets San Francisco tonight.  
Here's how it went at the other sites:  
At Lawrence, Kan., Oklahoma City downed Kansas State, 97-93, and Southern Methodist defeated Houston, 89-74. Oklahoma City and SMU clash tonight.

At Iowa City, Ia., Kentucky defeated Wayne, 84-64, and Iowa's Big Ten champions survived injuries and a fist fight to whip Morehead State, 97-83. Kentucky tackles the Big Ten court bearers tonight.

At Philadelphia, Hal Lear's 40 points helped Temple beat Connecticut, 65-59, and Canisius defeated Dartmouth, 66-58, to set up its tussle with Temple tonight.

East Playoffs March 22  
On March 22, the Philadelphia winner meets the Iowa City survivor for the Eastern regional crown and the Corvallis and Lawrence winners will play for Western honors at Evanston, Ill. The regional champions then play for the NCAA title.

The NAIA (small college) championship will be decided tonight at Kansas City, Mo., when Texas Southern meets McNeese (La.) State. Texas Southern defeated Wheaton (Ill.), 82-73, and McNeese downed Pittsburg (Kan.) Teachers 78-72, in Friday night's semifinals.

The National Invitation tournament begins today at Madison Square Garden with Lafayette meeting St. Francis of Brooklyn and Duquesne playing Oklahoma A&M in the afternoon. Seton Hall plays Xavier (Ohio) tonight. The Duquesne-Oklahoma A&M game will be televised nationally by CBS at 3:05 p. m., EST.

Bitburg Wins Air Force Tourney  
PERU, Ind. — Bitburg AFB of Germany grabbed the championship of the U. S. Air Force World-Wide Basketball Tournament Friday night by subduing a scrappy Shaw AFB club of South Carolina in a see-saw overtime battle, 62-61.

## Iowa Meets Kentucky in NCAA Play After Defeating Moorhead in Rough Game

IOWA CITY, Iowa — Big Ten champion Iowa and three-time national title holder Kentucky meet tonight in a NCAA quarter-final game, and Hawkeye Coach Bucky O'Connor hoped that the officials will let them play the game without undue interference.

Friday night Iowa set a new tournament record for fouls in one game with 35 in its 97-83 victory over Morehead, Ky., State. Thirty-three fouls were called on Morehead in the roughest game in tournament history.

"I'm not objecting to the foul calls as much as the fact that the officials let the game get out of hand in the second half," O'Connor said.

Charges Referee Partial  
"They put Sharm Scheuerman out of the game and didn't put the other kid out and he fought too. Then when I asked about it they wouldn't even talk to me," O'Connor said.

Iowa, which had averaged 18 fouls a game during the 22-game regular season, had 11 fouls in the first 20 minutes against Morehead and drew 12 more in the first 10 minutes of the second half. Guard Bill Seaberg went out on fouls after 7 minutes of the second half and before 10 minutes had gone by Scheuerman was put out for fighting.

Scheuerman had been called for traveling and as he turned to hand the ball to an official, Don Gauce of Morehead tried to take the ball away from him. When Scheuerman held it back, Gauce pushed and shouldered him in an effort to get the ball. Then both began punching with their fists and Referee Dallas Shirley, a southerner, put him out.

Cain Injures Leg  
Iowa had another scare when all-conference forward Carl Cain injured his leg after scoring 28 points with 5 minutes left. Cain immediately went to a whirlpool bath and reported it was only a cramp and should be all right for tonight's meeting with Kentucky.

Iowa, despite the fouls, had an easier time with Morehead, the nation's highest scoring team, than Kentucky did in beating little Wayne, 84-64. The Hawks took a lead of 20 points in the opening 13 minutes and thereafter Morehead never came closer than 11 points.

Kentucky was tied five times with Wayne and trailed by two points at the half. But the Wild-
